It may feel as though you just voted and the next election is a long way off; however, the November 4th General Election is just around the corner and election preparations have already begun.

When Election Day arrives, we are "Election Ready." Are you ready as well?

- ☆ Have you moved and do you need to change your address?
- ☆ Has your name changed and does it need to be updated?
- ☆ Has your signature changed and does it need to be updated?
- ☆ As it gets closer to the election, do you know who and what will be on your ballot?

I would encourage you to review your voter information to make sure it is current. You can verify your information by visiting our website at VoteLevy.com, click on "Check My Voter Status" tab or contact the Elections Office at 352-486-5163.

As a reminder, there are three ways to vote: vote by mail (absentee), vote during the early voting period, or on the traditional election day. Details for each of these voting methods are included within this publication.

A sample ballot is provided for your review. Use this ballot to help expedite voting at the polls. Mark your sample ballot at home, then take it with you to the polls so you can quickly copy your choices onto your official ballot. Remember, this is only a sample ballot, not an actual ballot. DO NOT return this sample ballot to the Supervisor of Elections office. To request an official mail ballot, contact the office at 352-486-5163.

We are here to help, so please contact us so that we will all be "Election Ready."

NO.1 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 28

Water and Land Conservation - Dedicates funds to acquire and restore Florida conservation and recreation lands

Funds the Land Acquisition Trust Fund to acquire, restore, improve, and manage conservation lands including wetlands and forests; fish and wildlife habitat; lands protecting water resources and drinking water sources, including the Everglades, and the water quality of rivers, lakes, and streams; beaches and shores; outdoor recreational lands; working farms and ranches; and historic or geologic sites, by dedicating 33 percent of net revenues from the existing excise tax on documents for 20 years.

This amendment does not increase or decrease state revenues. The state revenue restricted to the purposes specified in the amendment is estimated to be $648 million in Fiscal Year 2015-16 and grows to $1.268 billion by the twentieth year. Whether this results in any additional state expenditures depends upon future legislative actions and cannot be determined. Similarly, the impact on local government revenues, if any, cannot be determined. No additional local government costs are expected.

◯ NO

NO.2 CONSTITUTIONAL AMENDMENT ARTICLE X, SECTION 29

Use of Marijuana for Certain Medical Conditions

Allows the medical use of marijuana for individuals with debilitating diseases as determined by a licensed Florida physician. Allows caregivers to assist patients' medical use of marijuana. The Department of Health shall register and regulate centers that produce and distribute marijuana for medical purposes and shall issue identification cards to patients and caregivers. Applies only to Florida law. Does not authorize violations of federal law or any non-medical use, possession or production of marijuana.

Increased costs from this amendment to state and local governments cannot be determined. There will be additional regulatory and enforcement activities associated with the production and sale of medical marijuana. Fees will offset at least a portion of the regulatory costs. While sales tax may apply to purchases, changes in revenue cannot reasonably be determined since the extent to which medical marijuana will be exempt from taxation is unclear without legislative or state administrative action.

◯ NO

NO.3 CONSTITUTIONAL AMENDMENT ARTICLE V, SECTIONS 10,11

Prospective Appointment of Certain Judicial Vacancies

Currently, the Governor may not fill an expected vacancy until the current justice's or judge's term expires.
