**Updating Your Signature**

With the 2014 Elections fast approaching it's important that you update your signature if you haven't done so already. Signatures can change over time due to aging or medical conditions. When there are significant changes to your signature or identifying "mark" you need to update that signature with our office.

For those who Vote by Mail your signature on file becomes even more important. Once a Vote by Mail ballot is returned to our office, the signature on your ballot certificate envelope is immediately compared to the signature on your voter record.

To update your signature you'll need to complete a Florida Voter Registration Application form. Application forms can be found at all of the public libraries within Levy County or on our website at [www.votelevy.com](http://www.votelevy.com). Voters can also request an Application form to be sent to their home by calling the Elections Office at (352)486-5163.

Remember now is the time to make sure an updated signature is on file with your registration record.
