Supervisor's Message

Let me begin by saying thank you to all those who assisted us during the 2018 election cycle. It takes an entire team to conduct successful elections.

The 2018 election cycle was filled with excitement and challenges.

My staff and I witnessed high voter

turnout, a historic statewide recount, and the need for bilingual sample ballots. Countless hours were spent ensuring every eligible Levy County voter had their voice heard throughout the voting process.

Our office goal for 2019 is to educate voters on the accessibility and ease of voting. We will take part in educational speaking engagements and be readily available to answer any voting related questions.

My hope is the enthusiasm that was shown towards voting this past year will carry on, not only through 2019 and 2020, but indefinitely. You can join me in spreading the word about the importance of voting.
