Levy County Early Voting Begins August 8th and Continues Daily Through August 20th

Early Voting in Levy County will begin this Monday, August 8th and continue through Saturday, August 20th.

Voters may vote at the side entrance of the Supervisor of Elections Office. Poll hours are: 8 a.m. to 5 p.m. every day including weekends. Voters should bring a current and valid photo and signature ID. If no ID is provided, a provisional ballot will be issued. "My goal is to make Early Voting safe, secure and efficient for the residents of Levy County," said Supervisor Tammy Jones.

During Early Voting the Supervisor of Elections office is offering two "Secure Mail Ballot Intake Stations." These intake stations are for voters that need to return their vote-by-mail ballots. These stations are manned by employees of the Supervisor of Elections team. Ballots are secured and picked up daily. The intake stations are available during the same days and hours as Early Voting. In addition voters can return their vote-by-mail ballot at the Supervisor of Elections office during business hours of 8:30am to 4:30pm. As always there will be a intake station at the side entrance of the Elections Office during early voting days and hours.

We are excited to join the Tri-County Community Resource Center in Chiefland, Florida to help provide items for their emergency closet. You can participate by bringing a non-perishable food item during early voting or dropping items off at one of our Secure Ballot Intake Stations at both the Chiefland and Williston Libraries during early voting hours. Let's work together to help those in need.

Early Voting turnout results, by precinct and party, will be available on the Supervisor of Elections website at www.VoteLevy.gov.
