**Consider Vote by Mail for 2020 Elections**

While it is an unprecedented time for us all, our office remains humbled by the support of our community during the 2020 Presidential Preference Primary.

Looking ahead at the next two countywide elections, the Primary Election in August and the General Election in November, our office is urging Levy County voters to better prepare by requesting a Vote by Mail ballot. Vote by Mail allows voters to cast their ballot from the safety and comfort of their home. Voters can easily request a mail ballot online at [votelevy.gov](http://votelevy.gov) or by calling 352-486-5163.

As a reminder, to keep our team members as safe as possible during this crisis, our office is closed to the public until further notice. All of our functions remain active remotely, however anyone can reach our office by emailing [tammy@votelevy.com](mailto:tammy@votelevy.com) or calling 352-486-5163. We are committed to ensuring that the level of service we provide does not falter during this crisis.
