Elections Staff Designated with MFCEP Credentials

A staff member from the Levy County Supervisor of Elections office was recently designated as "Master Florida Certified Elections Professionals" (MFCEP) by the Florida State Association of Supervisors of Elections (FSASE).

Jordan Lindsey, MFCEP was presented with her credentials on May 21, 2019 during the FSASE 2019 Annual Summer Conference in Daytona Beach, Florida.

The MFCEP certification is awarded to those who complete three levels of Florida Certified Elections Professional (FCEP) trainings including legal and managerial foundations, management processes and procedures, and organizational development. The objectives of the FCEP program are to increase the knowledge and skill levels of elected officials and staff in elections offices in Florida; to provide incentives to supervisors of elections and their staff to continually enhance their levels of professional and personal development; and to share common perspectives, issues, and challenges in a structured, collegial atmosphere.

The Levy County Supervisor of Elections office encourages all employees to further their professional education to enhance the electoral process for Levy County voters. For more information about the FCEP program or the FSASE, please visit www.MyFloridaElections.com
