Supervisor of Elections Begins List Maintenance Activities

The Levy County Supervisor of Elections office began their biennial list maintenance activities this week as required by Florida election law. Address confirmation requests were sent to 4,681 voters who have not had any activity with the elections office over the past two years including voting, requesting a Vote by Mail ballot, or updating their voter registration.

Voters who receive an address confirmation request are not required to respond to the notice. If a voter has an address change they will need to complete the required sections and mail in the prepaid postage envelope to the Levy County Supervisor of Elections office.

Voters who have undeliverable mail will be sent an address confirmation final notice to the address provided by the United States Postal Service.

For further information, please contact the Levy County Supervisor of Elections Office at 352-486-5163 or tammy@votelevy.com.
