Supervisor of Elections Mails New Voter Cards Ahead of 2022 Elections

Tammy Jones, Supervisor of Elections for Levy County, will be mailing new voter information cards to all registered voters in Levy County. The new voter card reflects recent changes that have been made due to the 2021 redistricting. Redistricting was done at the state and local levels following the 2020 Census. Congressional, State Senate, and State House lines were redrawn during the process which resulted in a change of district numbers for all Levy County voters. Voters are encouraged to review their card for accurate information and contact the Levy County Elections Office with any questions or concerns.

"We want Levy County voters to be election ready by reviewing their information and visiting our website for important dates. We are also urging voters to contact our office with any election related concerns. Remember we are always here to serve you." states Supervisor Tammy Jones. Voters can review their voter information at any time by visiting the Elections Office website at www.votelevy.gov and selecting "Check My Voter Status" on the homepage.

For any questions regarding this mailing or election related concerns, please contact 352-486-5163 or tammy@votelevy.gov.
