

Reporting Requirements

Once you file Form DS-DE 9, *Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidate*, you are required to begin filing regular campaign finance reports with the Supervisor of Elections office. A schedule of reporting dates will be provided upon declaring your candidacy.

Campaign finance reports must be submitted electronically using the web-based reporting tool provided by the Supervisor of Elections office at no charge to the candidate. Even if you have no activity in your campaign account for a certain reporting period, you must file a "Waiver of Report."

Reports shall be electronically filed no later than 11:59 P.M. on the date it is due. We encourage early submission in case corrections are needed. Late filing fees can be quite costly and must be paid out of your personal funds. If you have questions about your campaign finance reports, please contact the Supervisor of Elections office before you file it with this office.

Termination reports must be submitted to the Supervisor of Elections by all candidates within 90 days of a candidate becoming unopposed, withdrawing his/her candidacy, or being eliminated, or elected to office.

First Things First

Very Important! You must file Form DS-DE 9, *Appointment of Campaign Treasurer and Designation of Campaign Depository for Candidates*, with the Supervisor of Elections before you do any of the following:

- ★ Collect any money toward your candidacy
- ★ Spend any money toward your candidacy
- ★ Collect signatures on petitions
- ★ Open a bank account

Within ten (10) days of filling the DS-DE 9, you must also file with the Supervisor of Elections Form DS-DE 84, *Statement of Candidate*, on which you affirm that you have been provided access to read, and understand the requirements of Chapter 106, Florida Statutes which covers campaign finance laws.

Qualifying

Anyone who seeks to qualify for an office must do one of the following:

- ★ Pay the Qualifying Fee
- ★ Complete the Petition Process
- ★ Write-In Candidate

Qualifying Fees: Qualifying fees must be paid by campaign account check. The qualifying fee for partisan candidates is 6% of the annual salary of the office being sought. The qualifying fee for nonpartisan candidates is 4% of that annual salary. Checks are to be made payable to the Levy County Supervisor of Elections. Candidates for school board must run as nonpartisan.

Petition Process: Candidates must obtain valid petition signatures from 1% of the registered voters in the county who were qualified to vote in the last General Election. The format of the petition is prescribed by the Division of Elections and thus Form DS-DE 104 shall be used by candidates to reproduce petitions for circulation. Signatures for a county office may be collected from any Levy County resident who is currently registered to vote in the county regardless of party affiliation, precinct or district. All petition signatures must be verified by the Supervisor of Elections office at a cost to the candidate of 10 cents per signature checked.

Remember, before collecting any petition signatures, the candidate must file Form DS-DE 9, *Appointment of Campaign Treasurer and Designation of Campaign Depository* with the Supervisor of Elections office.

The deadlines for submitting petitions to the Supervisor of Elections office to qualify for the 2018 Elections are as follows:

Noon, April 2, 2018

Campaign Advertising

There are very specific State and Local laws that govern campaign advertising. We urge you to become familiar with these laws as they pertain to political disclaimers that must

appear on signs, advertisements, mail outs, and other campaign items, as well as where you may and may not place your campaign signs.
